

Simple Solid Socks with Aran Weight Yarn

It is a simple sock pattern that requires minimum increasing/decreasing stitches.

Sock Size

24-25cm/5-6(UK)/38-40(EUR)/7-8(US)

Adjustable by changing the length of the foot area.

Materials Used

Yarn: Puppy British Eroica(201) Wool 100% 83m/50g

Amount: 90g

Needles: Set of four or five #8(UK)/#6(US) double-pointed needles or size to give tension.

Tension: 18 sts and 25 rounds=10cm in Stockinette stitch

Procedure

Toe (Work flat)

1. Cast on using the provisional crochet cast-on method.
Using double-pointed needle and your working yarn, knit 18 sts into the bumps on the back of the crochet chain. (Row 1)
2. Work 9cm (22 rows) flat in K2, P2 rib.
Odd rows: begin with P2 and end with P2.
Even rows: begin with K2 and end with K2.
3. Pick up 18 live stitches on the cast-on edge.

Foot (Work in the circle)

1. Work "K2tog, K14, SSK".
2. Repeat working "K2tog, K14, SSK" again with the stitches picked from the cast-on edge, joining into a circle of 32 sts.
3. Continue for 13cm (34 rnds) or the length of "your sock size - 11cm" in the circle in st st (K each rnd).

Heel (Work flat)

1. While looking inside of the sock, make a backward loop cast-on, work in K2, P2 rib for 17 sts (begin with P2 and end with P), then make a backward loop cast-on again and P. (Row 1)
Leave the remaining 16 sts on needles.
2. Continue working flat for 11cm (27 rows) in K2, P2 rib.
Even rows: begin with K2 and end with K2.
Odd rows: begin with P2 and end with P2.

Leg (Work in the circle)

1. Knit across the remaining 16 sts on needles, then work “K2tog, K18, and SSK” as the continuation of the heel.
2. Continue for 10cm (25 rnds) in the circle of 32 sts in st st (K each rnd).
3. Work 3cm (8 rnds) in the circle in K2, P2 rib.
Begin with single K and end with K.

Bind-off

Bind off knitwise around, inserting a chain between two adjacent stitches.

Making up

Pull the crochet chains out, seam both ends of the toe and heel using mattress stitch seaming, and weave in any loose ends.
